

Map the Meal Gap 2011

Iowa Child Food Insecurity by Congressional District, 2009¹

Congressional District	Food Insecurity Rate (full population)	Child Food Insecurity Rate	Estimated Number Food Insecure Children (rounded)	% food insecure children income-eligible for federal nutrition assistance (at or below 185% of poverty line) ²	% food insecure children NOT income-eligible for federal nutrition assistance (over 185% of poverty line) ²
1	13.3%	20.4%	28,510	58%	42%
2	14.2%	21.6%	30,270	53%	47%
3	12.8%	19.8%	30,840	50%	50%
4	13.0%	20.2%	27,400	54%	46%
5	12.8%	20.5%	28,410	58%	42%

Gundersen, C., E. Waxman, E. Engelhard and J. Brown. *Map the Meal Gap: Child Food Insecurity 2011*. Feeding America, 2011. This research is generously supported by ConAgra Foods Foundation and is based on *Map the Meal Gap: Food Insecurity Estimates at the County Level*, supported by the Howard G. Buffett Foundation and The Nielsen Company.

¹Map the Meal Gap's child food insecurity rates are determined using data from the 2009 Current Population Survey on children under 18 years old in food insecure households; data from the 2009 American Community Survey on median family incomes for households with children, child poverty rates, and race and ethnic demographics among children; and 2009 data from the Bureau of Labor Statistics on unemployment rates. Because congressional district estimates use a three-year average of unemployment data (2007-2009) and county-level estimates use unemployment data from one-year (2009), congressional district estimates are not directly comparable with county estimates.

²Numbers reflect percentage of food insecure children living in households with incomes above or below 185% of the federal poverty guideline for 2009. Eligibility for federal child nutrition programs is determined in part by income thresholds which can vary by state.
