

Map the Meal Gap 2011

South Carolina Child Food Insecurity by Congressional District, 2009¹

Congressional District	Food Insecurity Rate (full population)	Child Food Insecurity Rate	Estimated Number Food Insecure Children (rounded)	% food insecure children income-eligible for federal nutrition assistance (at or below 185% of poverty line) ²	% food insecure children NOT income-eligible for federal nutrition assistance (over 185% of poverty line) ²
1	15.3%	26.9%	49,360	56%	44%
2	14.4%	23.5%	44,330	58%	42%
3	17.4%	29.9%	48,370	60%	40%
4	16.1%	28.1%	51,140	58%	42%
5	18.2%	28.8%	53,240	68%	32%
6	22.0%	28.5%	45,680	86%	14%

Gundersen, C., E. Waxman, E. Engelhard and J. Brown. *Map the Meal Gap: Child Food Insecurity 2011*. Feeding America, 2011. This research is generously supported by ConAgra Foods Foundation and is based on *Map the Meal Gap: Food Insecurity Estimates at the County Level*, supported by the Howard G. Buffett Foundation and The Nielsen Company.

¹Map the Meal Gap's child food insecurity rates are determined using data from the 2009 Current Population Survey on children under 18 years old in food insecure households; data from the 2009 American Community Survey on median family incomes for households with children, child poverty rates, and race and ethnic demographics among children; and 2009 data from the Bureau of Labor Statistics on unemployment rates. Because congressional district estimates use a three-year average of unemployment data (2007-2009) and county-level estimates use unemployment data from one-year (2009), congressional district estimates are not directly comparable with county estimates.

²Numbers reflect percentage of food insecure children living in households with incomes above or below 185% of the federal poverty guideline for 2009. Eligibility for federal child nutrition programs is determined in part by income thresholds which can vary by state.
