Gundersen, C., A. Dewey, A. Crumbaugh, M. Kato & E. Engelhard. *Map the Meal Gap 2017: Food Insecurity and Child Food Insecurity Estimates at the County Level*. Feeding America, 2017. This research is generously supported by The Howard G. Buffett Foundation and Nielsen.

¹Map the Meal Gap's food insecurity rates are determined using data from the 2001-2015 Current Population Survey on individuals in food insecure households; data from the 2015 American Community Survey on median household incomes, poverty rates, homeownership, and race and ethnic demographics; and 2015 data from the Bureau of Labor Statistics on unemployment rates.

²Numbers reflect percentage of food insecure individuals living in households with incomes within the income bands indicated. Eligibility for federal nutrition programs is determined in part by these income thresholds which can vary by state.

⁶Population and food insecurity data in the state totals row do not reflect the sum of all counties in that state. The state totals are aggregated from the congressional districts data in that state. All data in the state totals row pertaining to the cost of food or the "Meal Gap" reflect state-level data and are not aggregations of either counties or congressional districts.

Map the Meal Gap 2017:

Overall Food Insecurity in Nevada by Congressional District in 2015 ¹

Congressional District	Population	Food insecurity rate	Estimated number food insecure individuals (rounded)	Likely Income Eligibility for Federal Nutrition Assistance ²	
				% below 200% poverty <i>SNAP, WIC, free school meals, CSFP, TEFAP</i>	% above 200% poverty <i>Charitable Response</i>
1	703,299	15.3%	107,960	95%	5%
2	706,464	12.3%	86,860	71%	29%
3	758,676	13.0%	98,800	56%	44%
4	722,406	14.0%	101,290	76%	24%
