Feeding America 36-3673599 Schedule I (Form 990) Page 2 Part IV Supplemental Information reports when the reports come to Feeding America. The team follows up with food banks that do not fully complete the reports. Information from the reports is shared with the account manager who is the main contact with the donor, and the Subject Matter Expert(s) (SMEs), which can assist members with program implementation challenges. During the grant period, awardee members must submit a written reallocation request form if they are asking to use grant funds differently than described in their original proposal. The Member Grants team along with the appropriate account manager and SME(s) decide whether the reallocation request is aligned with the donor's intent for the gift. If so, the reallocation is approved. If not, the reallocation will be denied. Appropriate staff as related to the grant opportunity follows up when there are issues/challenges with a member's completion of the grant, or their grant terms. When necessary, staff provide recommendations for changes to the proposal. When there is a serious issue with a member and their grant implementation, all appropriate staff will work together with the member to address the situation. Final decision to request the return of grant funds is made by consensus of the Compliance department, and other appropriate staff related to the grant opportunity program. Examples of serious issues that may require further consideration and action include: insufficient progress; member unlikely to use funds; non-compliance during an audit visit; and late submission of, or failure to submit grant reports.

Feeding America 36-3673599 Form 990, Part I, Line 1, Description of Organization Mission: Feeding America's mission is to feed America's hungry through a nationwide network of food banks and engage our country in the fight to end hunger. Form 990, Part III, Line 4a: Food procurement program includes supply chain, logistics and product sourcing services. Supply chain services facilitate the acquisition of food and grocery products for free distribution to Americans in communities across the country. The Feeding America National Office augments donated food and grocery products with produce procured from farmers and growers to ensure a nutritional and well-rounded mix of product is available to the network. A portion of these procurement costs are offset by fees paid by member food banks to the donor/service provider, which may include the cost of packaging, transportation, and processing fees. During fiscal year 2020 the national produce program distributed 94 million pounds of fresh produce to our member food banks. Additionally, Feeding America regional sourcing personnel generated 78 million pounds of produce for the network making the total generated by Feeding America national office 172 million pounds. The Feeding America network collectively secured more than 720 million pounds of fresh produce (produce sourced through our other channels is not included in this number).

Name of the organization Feeding America	Employer identification number 36-3673599
During fiscal year 2009, the Supply Chain team launched a national	
grocery program to obtain lower prices for purchased groceries by	
leveraging the collective buying power of our member food banks. During	
fiscal year 2020, 172 members participated in the national grocery	
program, with purchases of \$117.7 million in food and grocery products	
that resulted in more than 171 million pounds of purchased food.	
Product sourcing facilitates the donation of food and grocery products	
from major national and regional manufacturers and retailers. Through	
the efforts of food sourcing staff across the network, and the help of	
our trusted retail partners, the grocery rescue program (retail store	
donation program) secured more than 1.9 billion pounds of product. Food	
manufacturers donated more than 763 million pounds of food to our	
member food banks.	
In total, the Feeding America network distributed approximately 6.0	
billion pounds of food and grocery items in fiscal year 2020 to people	
in need. This represents greater than 24 percent growth over fiscal	
year 2019.	
Form 990, Part III, Line 4b:	
Member services advance the operations of Network food banks through	
capability development, consulting, assessment and training. The	
Feeding America national office inspects each Network member every	
18-36 months to ensure compliance with the highest standards of food	
safety, management, governance and accountability. Significant portions	
of the member services FY20 budget helped to provide grants to member	
food banks supporting development of innovative charitable feeding

programs, response to the COVID-19 pandemic, and strategic initiatives.	
Of all food and funds raised by the national office, more than 98	
percent goes directly back to Network members to support programs and	
services, including more than \$240 million of direct support in the	
form of grants to the Network. Our Member Services program also	
advances logistics and service capacity through information technology;	
prepares our Network for responses to natural disasters through	
planning, information sharing and product deployment through disaster	
services; offers fundraising capacity building opportunities, and	
shares best practices and wisdom among Network members through	
knowledge and learning.	
Form 990, Part III, Line 4c:	
Public awareness and education services advance awareness of and	
engagement with the issue of hunger through marketing and engagement	
programs in addition to media relations and publications initiatives.	
All of which all aim to mobilize the public and drive awareness and	
support of both the issue of domestic hunger generally and Feeding	
America specifically. We believe the American public has a significant	
role to play in ending hunger. We have seen that people do indeed want	
to help people in need when they better understand who is affected by	
food insecurity, the extent of the problem, how it relates to their	
everyday lives and what they can do to address it. Feeding America is	
focused on delivering this information through targeted initiatives	
such as Public Service Announcement (PSA) campaigns, media outreach and	
additional marketing programs designed to reach people during relevant	
time periods. These initiatives are created and supported by world

class creative agencies, media partners and content distributers.	
Form 990, Part III, Line 4d, Other Program Services:	
Our Research and Evaluation Team spearheads critical research	
initiatives to better understand hunger and to continually improve our	
strategies to end it. We analyze the dynamics at play among the	
Nation's food insecure individuals and families, the patterns	
surrounding their use of our services, and endeavor to utilize this	
data to ultimately create better local feeding programs. Additionally,	
we investigate our own Organizational operations as a network,	
identifying opportunities for continual growth and refinement.	
During fiscal year 2020, we released the tenth consecutive edition of	
Map the Meal Gap, our signature study on overall and child food	
insecurity in every county and congressional district in the United	
States. Not only does this study allow our partners, policy makers,	
donors and the public to understand the picture of hunger in their	
communities, it provides our food banks with data that enables them to	
target their services to people most in need. Feeding America also	
released food insecurity projections for calendar year 2020 at the	
national, state, county, congressional district, and service area	
levels. Feeding America piloted the first-of-its-kind Agency Pulse	
Survey tool that our member food banks can use to assess their partner	
agencies' needs for additional food, funds, and other resources as a	
result of COVID-19. Additionally, Feeding America produced The State of	
Senior Hunger in America in 2018 which documents the prevalence of food	
insecurity among the senior population age 60 and older in the United	
States, along with a new report this year that examines food insecurity

among adults age 50-59. We also supported our network food banks with	
new research tools, such as a Levels of Evidence Framework to assess	
and compare effectiveness of tested programmatic interventions, and a	
research toolkit of validated survey measures to support local research	
in accordance with national best practices.	
Expenses \$ 12,811,564. including grants of \$ 0. Revenue \$ 1,497,305.	
Programs and Policy	
Feeding America's national programs are targeted, scalable distribution	
models that increase access to meals, groceries or benefits to	
children, families and seniors. We strengthen our network by providing	
grant funding, program standards, technical assistance and training	
resources that increase capacity and build awareness. We have expanded	
the reach of our national programs by providing 157 million meals	
through programs that feed children, such as kids cafe, backpack, and	
school pantry programs; by providing eligible families access to over	
232 million meals through supplemental nutrition assistance program	
(snap) application assistance; and by providing 220 million meals worth	
of nutritious food to food-insecure seniors through senior programs.	
Our public policy and advocacy programs educate federal lawmakers and	
policy influencers about hunger in America and identify and advance	
policy solutions that assist Americans who are struggling with hunger	
and strengthen food banks. Our non-partisan efforts help protect and	
strengthen federal nutrition programs that provide meals to families,	
children and seniors in need and policies that facilitate and support	
charitable giving of food and funds to non-profits providing meals to	
hungry families in America.

In FY 2020, Feeding America's legislative focus was on increasing	
funding for federal nutrition programs in response to Covid-19,	
including increased funding for TEFAP, an increase in snap benefits and	
flexibility for child nutrition programs. We continue to build advocacy	
capacity and engagement across our network by developing advocacy	
training programs for food bank staff. We also mobilize advocates	
online who generate tens of thousands of phone calls and emails in	
support of policies that reduce hunger in America. We are building	
civic engagement programs that ensure the people we serve are active	
participants in their community from encouraging them to register to	
vote to ensuring they participate in the 2020 census.	
Form 990, Part VI, Section B, line 11b:	
The Audit and Risk Management Committee and the Executive Compensation	
Committee of the Feeding America Board of Directors reviewed the prepared	
Form 990 during the first quarter of 2021, followed by a sign-off by the	
full Board of Directors in February 2021. All bodies reviewed the data and	
had the opportunity to offer refinements to narrative language. Our	
accounting firm, RSM US LLP, also reviewed these forms. The final Form 990	
was submitted to the Internal Revenue Service shortly after review. The	
complete Form 990 is provided to the entire Board of Directors before it is	
filed with the Internal Revenue Service.	
Form 990, Part VI, Section B, Line 12c:	
Annually, Executive Team members (currently the fourteen highest-ranking	
staff members) and Board members are required to sign a Conflict of	
Interest form disclosing any such issues. Executive Team member forms are

by the Secretary to the Board to ensure compliance. Any areas of concern	
are thoroughly discussed and remedied at this time and throughout the year.	
Board members with a conflict are required to recuse themselves from voting	
on such matters in which they have a conflict.	
Form 990, Part VI, Section B, Line 15:	_
Line 15a:	
The Executive Compensation Committee of the Feeding America Board of	
Directors is charged with overseeing issues surrounding executive pay and	
benefits. Committee members are fully independent of Feeding America	
management, have no personal interest in executive compensation and are not	
related to or under the control of any individual whose compensation is	
under review. The Committee determines the Chief Executive Officer's	
compensation based on a competitive market analysis. Compensation	
determinations are also based on competitive market data for disqualified	
persons - recommended by the CEO with assistance from the Chief Human	
Resources Officer (or designated Executive team member) and approved by the	
Committee. The Committee approves all compensation noted above in advance	
of their implementation and documents its discussions and determinations in	
the Committee's meeting minutes.	
Line 15b:	
The Executive Compensation Committee of the Feeding America Board of	
Directors and Feeding America work with a consulting firm that specializes	
in compensation services to not-for-profit organizations, with a primary	
focus on executive leadership. They provide data to the Committee to	
evaluate the reasonableness of each Executive's total cash compensation.	chodulo 0 /Earm 990 or 990 E7\ (2019)

Form 990, Part VI, Section B, Line 10b:	
Each member food bank is an independent 501(c)(3) organization that	_
enters into a legal and binding contract with Feeding America. The	
contract defines mutual accountability between both parties and	
outlines a set of compliance standards that detail administrative,	
operating, and non-compliance policies. A compliance audit is conducted	
by Feeding America every 18-36 months based on a member's compliance	
history. The visit allows Feeding America to verify compliance with the	
member contract. Failure to maintain compliance can result in	
probation, member sanctions and even termination, but typically only	
after steps are taken by Feeding America staff to assist the member in	
achieving compliance.
